I'm the saucy Latina lover your mother warned you about. I am hot and always horny. I want my men to always be ready because I just might have to have them right then and there.

I've got all natural boobs and know how to use them. Cum, suck on my perfect nipples and watch them get as hard as your cock. I'll let you play with them all day – and night.

I'm from Europe,
but I've been in
the states for sev-
eral years now,
and I love it, al-
most as much as
I like American
men. There are
some things, how-
ever from Europe
that I don't see
that much over
here. Like topless
beaches. They're
just breasts, guys,
everyone has
two of them.

Winnie

And anal sex.
It seems so taboo
here but I like it.
Don't you?

American men are amazed that I give up my ass so willingly. For me, it's just a normal part of love-making, like going to a European beach. But for them, it's like a hidden, forbidden jewel, like going to an American beach. I can only say – loosen up guys, it's only a butt. Everyone has one.

Analcious Erica

Erica and I are both married, but not to each other. It all started after we met online. As we got to know each other, we started to fall for each other. We decided we were both in losing relationships with our spouses. Then one day we decided to meet so we met halfway.

Erica and I met that day at a hotel restaurant, just in case one of us got cold feet. But as soon as we got there we knew that we going to do it, so we skipped the meal and headed straight for the hotel room. After checking in as Mr. and Mrs. we went to the room and we started to kiss, Erica with her hand down my pants, and mine down hers. She was so wet that I slipped in one finger, then two with ease.

A few more minutes of groping and we started to undress each other and soon we were both naked. I pulled her over, then she pushed me down on the bed and started to suck my cock. She took more in her mouth than my wife. Then she wanted

Ain't been laid yet?

I can't believe Kayla when she wrote that she hadn't been laid in months. I mean, look at her. She's the bomb. She can probably have any man she wants. Any man. With a face and body like her, and a willingness to take it up the ass, what more could a man want. I bet she was on vacation or taking care of a loved one to be abstaining for that long.

But if she really is telling the truth and wants to get laid, and wants a man that can do her right, why that would be me. I'm a woman pleaser, or at least that's what all the women have told me. I even had to get a divorce because I was pleasing so many women while I was still married. That was last year. Please forward her my e-mail, phone number and/or address.

— Klyde, Springfield, IL

me to eat her shaved pussy, which I did for ten wet minutes. Then she pulled my head up and rolled me over and climbed on me and began sucking on my hard cock again. She put her smooth pussy on my face and I continued to eat her out as she sucked my cock. I put both hands under her hips and lifted them a little and slid my mouth from her pussy and started to rim her. Erica loved that so much, she decided that she tried to pay me back by trying to take my entire cock deep down her throat.

We finished sixty-nining and she climbed on top of me taking my cock and guiding it into her love hole. At first it wouldn't go in so we went slower. I think she was just wanting to put it right on the opening to tease me. She started to kiss me again I think she liked the taste of her pussy on me because my face was so wet with her juices and she was licking it all up. After she finished teasing me, she started to slowly fuck my cock. I laid there and watched her bob up and

down on it as her boobs bounced and her hair twisted around her head. Then she stopped and got off me and laid on her back and spread her legs wide. She rubbed her clit for a moment and told me to start fucking her again. Ever the gentleman, I obliged.

I positioned myself between her legs and slide my cock into her in one deft motion. After a few minutes of pumping her hard, I shot my first load all over her beautiful boobs. We took a break and then she started sucking my cock again and brought it from semi-limp to full raging hardon again. Satisfied with her effort, she got on all fours and told me to get behind her. I do that and now I'm on my knees as I watch her pull a tube of lube out of her purse and then asks me to put some on her asshole. So I did.

After a few minutes of fingering her asshole, she took my cock and guided slowly it into her ass. We fucked like that for a while as I did my best to keep up with her hip thrusts. Then she wanted to get on me and sit on me with my cock still in her ass. She leaned forward, grabbed my ankles and pumped her hips

up and down, giving me a great view of her ass swallowing up my cock.

I shot my load deep into her butt and after another short break and some cleanup, we started to go again. Her mouth was so warm and she always had the right pressure on my cock. She mumbled with my cock still in her mouth that I should cum in her mouth this time. When I did, she swirled it around inside and opened her mouth to show it to me – then swallowed it. She told me she never done that before and she wanted to do it again. At this point I didn't know I could get that hard again, but I was still ready to go.

We decided to do it one more time because morning was about to break, and so I started to kiss her and then she went down on me again and she was able to get me rock hard again. We started with doggie-style and I jumped in behind her and jammed my cock into her pussy. I banged that for several minutes when she turned back at me and told me to cum in her ass, not her pussy. She wanted it that way because she was afraid her husband might want to eat her out, but he never goes near her butt hole. A strange way to end our tryst, I thought but what the hell.

The tax man cumeth

Hi there, my name is Patrick, and I'm, 52 years old living in Trenton, New Jersey. I'm writing to tell you about a lady who was working in our office. Her name was Sandra and she came to us from a temp agency as our busy season approached. I work in the tax service's regional office. Beginning the first of the year until May is, of course, our busiest season.

Her first day was probably a whirlwind for her. When I first saw her, she was being escorted around the office by the regional manager who seemed to be having a great time of it. As for me, I just couldn't take my eyes off her huge boobs, but the most attractive part of her body was her tight ass. I would look at that ass swaying from left to right when she walked by my station.

On the second day, I found out that I was to work with her for her first two weeks, and then she'd move over to another account manager. We did our thing at the office and in between tax lingo, I learned she was lonely at home with her husband being away a lot so she took the job to fill

her days, but her nights were still pretty empty. Not one to try to take advantage, I played the detached-but-interested card when we weren't talking business.

At the end of her first week, she came into work on Friday obviously upset and a bit underdressed, for her. I asked if she was okay and she said she was, but she was not. I let it ride like that until lunch time, when I asked if she wanted to have lunch and talk about her 'troubles.' At first she declined but I said that it might make her feel better, and make her afternoon go better. She agreed and when lunch time came around we headed for a snack shop and settled in.

Sandra told me many things about her life that she was not happy with her husband, a good-for-nothing lazy-ass. From that day she became more friendly to me and shared more of her secrets and experiences. I couldn't take it anymore, so on Monday I decided to make a plan to 'seduce' her.

We were working late on Tuesday night, the only ones left in the office. I purposely went inside our IT's server room on the pretense that one of

the servers went down. I called her to help me remove some of the hard drives and replace them. When she came in, I took her hand and pushed her to the wall and started kissing her. At first she mildly resisted but quickly she hugged me tightly and started kissing me like a wild woman. I put my hands inside her blouse and started fondling her breasts. A moment later she took off her blouse and bra and I and I took it as a message to suck her boobs. I started by licking her nipples, swirling my tongue around them.

I turned her around and pushed her chest against the cold wall. I pushed gently into her so she could feel my hard cock against her tight ass. What a feeling it was for me as she reached behind her and felt my hardness. She caught hold of my cock and started rubbing it over my jeans. She turned around and made me put my back to the wall and dropped to

her knees and unzipped my jeans, found my cock through my boxers and she started sucking my cock very hard. I told her that I was about to cum, so she started sucking harder. I blasted my juices into her mouth and she swallowed it all without leaving out a single drop. I told her we should get out of there, but she squeezed my cock and asked "What about me?"

I told her that if she was alone at home tonight, I'd love to make her cum, as many times as she wanted. When she got to my place, we wasted no time. I told her to sit on the sofa, pushed back her skirt and started sucking her pussy over her panties. I soon pulled aside her panty and saw her pussy was clean shaven, so I started sucking and fingering her deeply. She finally came all over my mouth and fingers, soaking them in her love juice. She stood up on wobbly legs and told me to take her to the bedroom. She

took out my ragingly dick and pulled me in the direction I pointed.

We stripped each other of our clothes and fell onto the bed. I mounted her and kissed her passionately to stop her from moaning and started fucking her. When I was about to cum, she told me to cum inside her mouth. So I fucked her now even harder and as I was about to explode, I pulled out and she quickly got in position to take it in her mouth.

After a short pause, we decided to continue in the bathroom. I had a nice two-head shower with plenty of room for two naked people. We jumped in, soaped each other and I massaged her breasts while she lathered up my cock and balls and gave me a sensual hand job, then a hot blowjob moving her hands back to play with my balls. Finally, after each came again, she dressed and went home.

First, let me tell you that I'm NOT a porn star. I'm a good, sweet person that's been trained to hide and, at times, deny my sexuality. But now that I'm older I want to celebrate it.

I want a cock shoved hard into my mouth and even harder into my pussy, and maybe soon, into my ass. I've only had a finger or two back there.

A woman with long brown hair is lying on her back on a heavily patterned, colorful fabric surface. She is smiling broadly with her eyes closed, showing her teeth. Her right breast is visible. The fabric has a complex, traditional-looking pattern with red, gold, and dark blue tones.

And, most of all, I want to do it with another female. It's the most repressed sexual feeling I have, but watching enough videos makes me want to try it. I'd like to feel a soft, wet tongue on my lips and clit. Are there any of you out there willing to fuck me? Let the editors know.

I'm a little bit kinky.
I enjoy sex toys, all
day suckers in my
mouth, leather har-
nesses, and a man
that can keep up
with me. Of course,
sharing the same
sexual interests is
huge in my book.
I like to have my
mouth and pussy
plundered by a
huge cock that
can take control of
me. It also needs to
be able to plunge
deep into my ass!

Susanne

I like to show off my
50 year-old toned
body and dress
in sexy lingerie to
heighten my sex
appeal. Hope you
like it.

I find it's a bigger turn on
when someone is barking
out directions on set:

*"Okay, Susanne, spread
your pussy and ass."
'Can you play with his balls?'
'Turn around for a reverse-
cowgirl.'
'Now, take that cock all the
way in and swallow.'*

online by using the code.
Then just whip out your
hard cock and well...
you know the rest.'

One woman's trash is another man's treasure

What I'm going to reveal is probably something I should keep to myself, but since I remain anonymous, I guess there's no harm in sharing my story with your readers. Maybe they'll get off on it as much as I do.

I own a couple of houses that I rent out. One is located across from the community college, so I often get students as tenants. I was shocked, no... pleasantly surprised, when one of the tenants was such a pervert that she put a hidden camera in the apartment. I found this all out, when after she moved out, she had left a small spy-type camera in her bedroom, along with a few other things she didn't want to take with her. There were some books thrown in the corner, an old thrift-store dresser, and some used sheets and towels thrown in the other corner.

Thanks to a buddy of mine who helped me clean the place out, he found a few CDs in one of the dresser drawers. One said 'Music' and two just had dates on the surface – 6/2/16, and 2/12/17.

Nice Ass, Zoey:

I've been an ass man all my life. I remember being really turned on by beautiful full butts, when I was at a college frat party over 30 years ago. The frat house had a big pool in the back and there were some wild parties back there. Topless was a staple, so boobies were no big deal, but when we threw thong and g-string parties, I waltzed around the pool looking at coed booty with a hard on, but tried to keep it hidden, after all I did not want to get reported and lose party privileges. So now I'm much older and women my age just don't have the round firm butt that younger women have. Then I saw your Zoey cover and I was pleased to see the curve of her behind, assuming it wasn't Photoshopped. I bought the issue hoping there was more inside and I was quite pleased. Thank you for nice behinds.

– Grayson, Baltimore

I was ready to toss them when he said we should check them out, especially since she had that camera up in the corner. We went back to my place after we finished, cracked open a couple of beers and sat back to look at the CDs. I put the first one in and fast-forwarding through it, really saw nothing too provocative – a chick masturbating at the most. However, that changed when I put the second one in.

The two babes were each about twenty and super cute. One was a bleached blonde and the other was a long-haired brunette. The short blonde had a tight body, while the brunette is tall and athletic with a nice round butt and big boobs. I had the feeling that our luck about to change and sure enough I was right.

For the first couple of minutes of the CD nothing much happened. The two seemed to just be hanging out together for some girl talk. However, as the minutes passed, that situation changed. What I viewed was so hot that I'm still walking around with hard on almost a week later.

The action began with the

two girls, most likely drunk from bar hopping, sitting next to each other on the bed. After a few minutes of giggling and joking around the blonde moved closer to the other girl. She put her arm around the brunette's shoulder and then pulled her a little closer. Then the brunette leaned over and kissed the blonde squarely on the lips. Finally, it was the action we'd been hoping for! High five!

The brunette held the blonde's head firmly in her hands and began French kissing her furiously. Their heads undulated in rhythm as the two young chicks tongued back and forth. Then, the blonde pushes the brunette down on the bed, and began removing her clothes. First it was her shoes and socks. Next, she pulled off blonde's jeans while blonde helped matters by taking off her T-shirt. She had no bra on, and her pert, young boobs bounced freely, topped off by erect pink nipples.

Once blonde had her friend naked, she knew exactly what to do. I guess this wasn't her first time at the rodeo, because she let her tongue trail up her friend's legs, beginning on top of her foot. By the time her long tongue was caressing the brunette's thighs, the brunette was playing with her nipples, and I could see her lips

mouth the words, "Yeah baby, eat me."

My buddy and I watched in amazement and great arousal as the blonde began eating her friend's pussy. She was very good at it, not to mention very precise. Her tongue glided effortlessly between the labia. She then delved inside the brunette's pussy, which was glistening visibly on camera. Blondie also sucked on her partner's clit, at the same time using a couple of fingers to manipulate her buddy's love tunnel.

After a couple of minutes of this, the brunette was writhing on the bed in an obvious climax. Then blonde inched up the bed and to begin kissing again. I was so lucky that I got to see them sharing the taste of wet, juicy pussy. After hugging, we watched as the blonde taking off her

friend's clothes. The tall brunette was built to stop traffic. She had it going on all in the right places. The brunette started sucking on her friend's big boobs, and made the nipples pop out like giant erasers. She worked her hand between her buddy's thighs and began pushing her fingers in and out.

It was so sexy watching the blonde shake, with her eyes closed and her head weaving from side to side. Then the brunette turned her friend over and began kissing her glorious butt. Blondie went wild and so did I watching the action, forgetting it was on a CD. I felt as if I were right there next to the action.

The brunette repositioned blonde and this time she was the one showcasing oral talents. She licked her pussy in small circular motions. Taking her time,

as her tongue caressed every inch of wondrous pinkness. We watched the blonde palpably building up to a cataclysmic orgasm. And that it was. The bed shook as she writhed all over the mattress finally calming down after a couple of long minutes. When she moved aside there was a large, visible wet stain left on the mattress.

The girls decided to chill after that. Still naked, they cuddled, kissed a little more, and then went back to downing a few shots and giggling. As for me and my buddy, we spent the rest of the morning rewinding the tape, watching and winking like men possessed. I've watched the scene each day since. But what I though was kinda strange is that watching these two screw was not like watching a porn video. Even though the camera position did not move, it didn't matter. They were having real sex, not staged.

The ride down

As usual, I had been working late and the office was all but deserted, save the night crew and some security people. As usual, I dreaded riding the elevator down forty floors by myself, but I had no choice. The bell dinged to say the elevator doors were opening. When they opened,

standing there was, the new girl from the accounting department which was on the floor above. A lot of them worked late hours, too. I was thankful for the company and even more so when I saw how attractive she was.

She smiled and stepped aside for me to get in the elevator. "Hello." I said as I entered the elevator.

"Brenda, isn't it?" I hoped I was correct and it wasn't something like Sylvia.

"And you are. . .?"

"Theresa." I said.

Having seen her before at company meetings, I had a crush on this woman for a while. I found myself admiring her cleavage as it peeked from behind the folds of her blouse. Instinctively, I closed my legs tightly to keep from being overcome by the lustfulness her body inspired in me. I couldn't help it but my pussy was growing damper by the second. I hoped the elevator ride would be quick or I feared I would succumb to my baser sexual instincts.

The doors closed and with a jump the elevator thrust downward flinging Brenda and me into the corner of the cab. We looked into each other's eyes and communicated our need without words. I ran my hands through her hair as

I moved to kiss her. Roses and lilac fragrances lingered on her body, evoking images of lush gardens while I explored her mouth with my tongue.

Brenda was right on it, too. She lifted my skirt and peeled back my panties to finger my moist pussy. I had no problems releasing her breasts from her pale pink sleeveless top. Her nipples were hard as candy and I greedily suckled them enjoying their sweet flavor. Her fingers encouraged the dampness between my legs as they plunged deeper into me and explored the walls of my pussy.

The movements of her fingers were hitting nerves along my cavern, sending waves of ecstasy throughout my being, and leaving me with no escape from the oncoming rapture. The tin-

gling warmth fanned out from my clit to the tips of my toes as pleasure shook me. The juices escaped my body in waves down her hand and forearm.

Brenda had begun to rub her swollen clit against my thigh and I could feel her nectar sliding down my leg. Her arms encircled my waist and pressed my body against her, grinding her pussy into my thigh harder. Her moans of pleasure were loud, encouraging my desire. I ran my nails down her back while I moved my thigh up and down to drive her over the brink. Her hand pressed the back of my head; it forced me to devour her breast with lips and tongue.

The intermittent licking and biting of her nipple drove her wild as I thrust my finger inside of her. She jumped forward from

the sudden sensation of pleasure and I pulled her leg higher up on my hips to allow me better access to her moist canal. I slid all four fingers inside of her, opening her more and more, until her pussy welcomed then all. I moved it slowly in and out of her in circular motions pressing her engorged clit hard against my leg. I had her at my mercy, her only choice was to surrender her body to the pleasure it needed.

Her body shuddered and I could feel her slippery juices envelope my wrist as she steadied herself with elevator cab's rails. She released moan after moan in a desperate attempt to continue the subsiding torrents of ecstasy. After she was utterly spent, she lowered her leg and we smiled at each other as we straightened our clothes. Just as we finished the bell went off and the doors opened. The two of us stepped off the elevator into the lobby.

"Good night, Mr. Hennessy." We said in unison as we waved goodbye to the night watchman.

It's 5:25 in the afternoon and I'm running late for my rendezvous. I really hope the director will wait for me. I called and told him I was only a few minutes away. When I got there and saw this beautiful stud with a huge fat cock, I wanted to make sure his wait was worth it.

June

Immediately I got on my knees and started on his cock. It was huge and thick and solid as a rock, and that's just not an expression. Must be the iron in his blood.

Did you see the size of that cock. It had me biting my lip, and I don't think I could ever take it all in. But I persevered and finally milked it for all he was worth. I'm glad he spewed on my boobs because it would have been too much cum to swallow. Maybe next time, big guy.

Sometimes I have a hard time getting off. Sometimes you can look at me and I get wet and cum. But there is one thing, no – correction – two things that naver fail. Two nice big cocks. Yes, that's how it is now. And, beklieve it or not, it's not hard to hind two well-hung guys willing to make me cum. Pretty nice gig guys, if you can find me!

Tera

When they asked me to do this photo shoot and video, I said that I'd do it under one condition. You guessed it, two cocks. But I wanted them to be different so I got the real feeling that there were two cocks instead of one. When I saw them, I was quite happy and knew I'd be cumming a few times that afternoon. I must say that I don't remember the guy's faces, but I never forget a cock I've sucked and fucked. Jump on board guys. I'm ready!
